

The Northern Star

Description:

The Northern Star has a cherished reputation built since 1874, The Northern Star is the sole daily newspaper dedicated to the dynamic population of the Northern Rivers townships. The Northern Star is one of the largest private employers in the region and remains an integral part of this popular Northern New South Wales community. Catering to the diverse interests of Northern Rivers residents, The Northern Star focuses strongly on providing a voice for its readers, while keeping them up-to-date with local, national and international news. From sports results, property and rural news, to health, entertainment and travel, itâ€™s all covered by The Northern Star.
